

Easy Wealth Pie

SHARING THE RECIPES FOR WEALTH

LEVEL OF DIFFICULTY > Easy

INGREDIENTS:

- Income
- Expenses

TOOLS REQUIRED:

- Income Statement
- Your Wealth Sieve [Your Big Why]
- 6 Wealth Pots

SKILLS REQUIRED:

- Carving
- Squeezing the juice
- Having fun!

TIME REQUIRED:

- One hour per month

METHOD:

Take out your Income Statement and identify your total average monthly income. Using your sharpest wealth cooking knife, carve your income up, putting it into 6 different Wealth Pots, as follows:

Pot 1 > FINANCIAL FREEDOM POT = 10% "Pay yourself first."

Pot 2 > SAVE TO SPEND POT = 10% "Save for the big stuff."

Pot 3 > GROWTH POT = 10% "Invest in yourself."

Pot 4 > THE NECESSITIES POT = 55% "Make every purchase matter."

Pot 5 > PLAY POT = 10% "Let your creativity express itself."

Pot 6 > CONTRIBUTIONS POT = 5% "Contribution gives life meaning."

Enjoy knowing you have a pot for everything and that you get value from every spending decision which you make
